Course Information

Advanced Certificate in Aged Care & Community Support

OVERVIEW

Learn to make a difference for yourself & others

Gain valuable skills with a Certificate in Aged Care & Counselling. Understand the challenges and rewards involved in supporting older adults through lifestyle changes, learn techniques used in grief counselling, and help people face ageing with a positive mindset. Become an aged care community support worker and use your advanced aged care course to make your mark in the community care sector. Discover systems and procedures that ensure the well-being of those in senior care and understand how to provide emotional or physical help ethically.

Enrol now to live a more meaningful life.

- Discover compassionate ways to deal with terminal illness
- Learn techniques to help people living with bereavement
- Understand the skills needed to become an aged care community support worker
- Add an aged care certificate to your CV
