Course Information

## Advanced Certificate in Family Wellness and Crisis Intervention

### OVERVIEW

What makes the family unit tick? Families are the oldest social unit in the human race. But despite this, there are many complications that can arise with families, especially when children and adolescents are involved. This course covers the fundamentals of families, and the dysfunctions that can arise within them. Combining four of our courses, this program covers off child psychological development, child and adolescent mental health, as well as family and crisis counselling. If you would like to gain a deeper understanding of how families work, what can go wrong, and how professionals approach resolving these issues, this course is perfect for you.
