Course Information

Certificate in Caring for Dogs

OVERVIEW

Become your own best friend, study, work, live your passion

Take a dog care course to learn what points should be considered before owning a dog, what constitutes basic training, and the daily requirements that should be factored in when adopting a dog. Discover the pros and cons of food types and learn basic dog care, grooming, behavioural science, and different training methods. Prepare a plan for operating a canine care or consultancy business, and gain a certificate of achievement. Enrol in a dog care course to turn what you love into how you live.

- Discover what canines need every day to thrive
- Learn about dog psychology
- Describe the primary care of dogs, including nutrition & exercise
- Understand proper hygiene, & preventative health care
- Pinpoint common diseases in dogs
- Learn the basic characteristics of different breeds
