

Psychology & Counselling

Course Information

Certificate in Counselling

OVERVIEW

Understand yourself better & help others to grow

Study counselling to understand what drives you. Learn ways your reactions may be connected to the broader psyche, and use your counselling skills and studies to explore the treatments and approaches used in fields like psychiatry and counselling. Our online counselling course covers the concepts of humanistic therapy, an investigation of common psychiatric disorders, and critical skills you might develop to become an effective counsellor. Use this counselling certification to learn about defence mechanisms, psychoanalytic techniques, and counselling approaches.

Enrol in a Certificate in Counselling to discover what makes you tick.

- Identify what is referred to as a 'micro-skill'
- Understand the purpose of counselling and how it should function
- Learn about the counselling process
