Course Information

## Certificate in Dog Psychology, Behaviour & Training

### OVERVIEW

Here's your chance to teach your dog good behaviour habits in the human and canine world. Our highly instructive online course will teach you all about canine psychology, their senses and behaviour, and you'll learn how to take command of your dog with basic dog and obedience training techniques. This is a highly engaging course that will provide invaluable information for anyone who owns dogs, works with dogs currently, or plans to work with dogs in the future.

- Learn how canine animals think and communicate.
- Explore the behavioural development of puppies.
- Learn the basic concepts behind dog training, and how they can apply to different situations.
- Control the movement of dogs through training and other methods.
