Course Information

Certificate in Wedding Planning

OVERVIEW

Turn your romantic streak into a winning streak. Begin an online wedding planning course Ireland-wide that covers the process from planning, through programme management, all the way to ensuring the venue is packed up correctly at the end of the big day. With our wedding planner certification course online, you will learn how to manage guests, vendors, and clients and explore the various legal requirements that must be adhered to. Discover how specific cultures approach weddings and the pros and cons of different styles of wedding receptions. Enrol in a wedding planner course and make every day your big day.

- Understand how religion may factor into a wedding
- Learn about the services engaged in wedding planning
- Add a formal wedding planner course qualification to your CV – increase client confidence

Ready to become unstoppable?
