Course Information

AAT Professional Diploma in Accounting

Developed and delivered by: An AAT Approved Training Provider

Provider code: OO01000627

OVERVIEW

Watch your job prospects soar

The AAT Diploma in Accounting includes learning across basic, advanced, management, and taxation accounting – plus, you will enhance your task management skills and get ready to complete full financial statements. This Diploma in Accounting comes with graduate membership to the Association of Accounting Technicians (AAT) and the Institute of Public Accountants (IPA). An advanced qualification that builds on the practical accounting skills and knowledge gained through the Certificate in Accounting, it's also a pathway to becoming a Certified Accounting Technician.

Enrol now to enhance your accounting skills and pursue a career in accounting, finance or business.

- Understand issues in income determination & asset valuation
- Learn about performance measurement & CVP Analysis
