

Animal Care

Course Information

Diploma in Animal Welfare

OVERVIEW

Make a real impact in animal care with our Diploma in Animal Welfare!

This programme is designed for those passionate about animal welfare and eager to develop essential skills in healthcare, conservation, and disease management across various species. You'll learn practical techniques like first aid and veterinary administration, while exploring animal behaviour, welfare legislation, and ethical care practices.

Delivered entirely online, this course allows you to study at your own pace and prepares you for rewarding roles in animal shelters, veterinary services, and rescue organisations.

Please note: This course does not include tutor support.

- Learn about compliance with infection control policies & procedures
- Understand how to assist in the healthcare of animals
