

## Diploma in Xero

### OVERVIEW

Starting from Xero? You've got this

Use the Xero online course to show employers you are qualified, run your business with a professional edge, or upskill ahead of promotion. The Diploma in Xero comprises certificates in Xero, Xero Payroll, an Advanced Certificate in Xero – plus access to the official Xero Advisor Certification on completion. You can learn bookkeeping and run your payroll with this Xero Ireland-recognised qualification. Discover how to access historical pay slips, assign branded themes to your invoices, and use Smart Lists to streamline searches. Enrol for a Diploma in Xero online to kickstart your employment prospects.

- Receive access to Xero's official advisor certification at course completion
- FREE 12-month student membership – Institute of Public Accountants
- Gain 40 Continuing Professional Development (CPD) hours
