Course Information

## Dog Training Business Pathway

### OVERVIEW

Start your own dog training business

The Career Academy dog training courses lead you through modules for fundamental canine care approaches. The best dog training online courses include an overview of the seven main breed groups, help you understand canine behaviour, and open the door to a smart start for your dog care business. Use our dog training business pathway to gather your needed skills and knowledge. Access guidance for writing your initial business plan, understand the best approach to planning for profit and complete a section on financial analysis.

Enrol today to learn what it takes to start a dog training business.

- Learn about what drives canine behaviour
- Discover a terminology framework for canine psychology
- Gain a certificate of achievement
- Access useful resources for business planning
