Event Management & Wedding Planning to Business Pathway

Course Information

OVERVIEW

You know what you want? It's time to go after it

If it's your dream to make a mark with your own Event Management & Wedding Planning Business, start by choosing a wedding and event management pathway that includes Certificates in Event Management & Wedding Planning – and a Start Your Own Business course. Wedding and event planning courses should teach you how to manage the location, liaise effectively with clients and vendors, and plan an event from the initial concept to clean up. Enrol today for wedding and event management courses that include mentoring from expert business coaches.

- Learn how to prepare a business plan
- Understand some relevant facets of marketing
- Legitimise your approach with clients and vendors
- Gain a Certificate to add to your portfolio or CV
- Developed by experienced Event Managers & Wedding Planners

Ready to become unstoppable?
