1 Introduction

The purpose of this Student Policy is to provide guidance for students and staff about rules and procedures of The Career Academy United Kingdom (TCA). By logging into the learning management system, students are deemed to have read the Student Policy and agree to comply with it.

The Student Policy may be updated from time to time. Please check the website or learning platform regularly for the most up to date version.

2 Admission, Enrolment & Membership

2.1 Who may enrol with TCA

- 2.1.1 Any student may enrol with TCA, regardless of residency or visa status.
- 2.1.2 Students who are under the age of 18 may enrol at TCA if they have the consent of their parent/guardian. In this situation, the student's parent/guardian must enter into the contract on behalf of the student (i.e. sign the student policy on behalf of the student, plus the student themselves must sign the student policy). The parent/guardian's billing information will be used at the order check out and will be liable on behalf of the student.
- 2.1.3 Students must disclose any medical conditions, physical disability or other circumstances that could prevent them completing the course.
- 2.1.4 TCA may require further documentation before enrolment can be confirmed.
- 2.1.5 TCA, acting reasonably, may refuse to enrol, or cancel the enrolment of, students who it deems to be not of good character. This includes, but is not limited to, providing false information at enrolment or throughout the term of enrolment, failure to pay fees on time, or breaching TCA's Student Policy.
- 2.1.6 If a student intends to request that a third party pay the course fees, this needs to be arranged before the student is enrolled.

2.2 Course entry requirements

- 2.2.1 To be considered for enrolment at TCA, a student must be able to demonstrate English proficiency to IELTS 5.5 or above. Students are also expected to have a basic understanding of computer skills. TCA offers a free Adult Language and Numeracy course should a student or advisor have concerns over whether they can complete the course.
- 2.2.2 TCA delivers all courses in online form. Students must therefore ensure that they have reliable access to a computer or laptop, a stable internet connection, and Microsoft Office software.
- 2.2.3 There are no academic prerequisites for any of TCA's courses apart from the Prior Knowledge quiz for the Advanced Certificate in Accounting which students must pass before they can begin the Advanced Certificate in Accounting.

- 2.2.4 The following are the minimum computer specifications that all students must have access to before they enrol in any course with TCA.

Operating System

- Microsoft Windows 10 or newer or Apple macOS 10.14 or newer

Web browser

- Google Chrome, the latest version, is recommended.

Software

- Microsoft Office with Microsoft Word and Excel
- Adobe Reader, the latest version or equivalent PDF reader, is recommended.
- Antivirus software, updated regularly, is strongly recommended.
- Local administrative privileges on the computer may be required to allow for software installation and to configure computer settings.
- Content filters may need to be disabled to view certain types of learning material

Basic Computer Proficiency Requirements

At a minimum, students should have basic computer literacy skills including:

- Using a keyboard and mouse
- Sending and receiving email
- Saving and retrieving files in different formats (.docx, .pdf, .pptx, etc.)
- Using a text editor (changing fonts, inserting links, using spell check, etc.)
- Browsing for files to attach and upload
- Accessing the Internet using a web browser and resetting basic web browser settings (clearing cache/history, cookies, etc.)

- 2.2.5 If a student no longer has access to a computer or internet or the above minimum requirements, it is their responsibility to gain access, and this is not grounds for cancellation outside of the cancellation period and will not entitle the student to a refund of fees or a credit towards a future course.

2.3 Enrolment commencement

- 2.3.1 TCA will confirm enrolment after all required information and any supporting documentation has been received.
- 2.3.2 On confirming enrolment, course login details will be released to the student by email within 1 business day.
- 2.3.3 Your enrolment date starts on the date the course login email is sent and will be used for the purposes of cancellations, deferrals, course extensions and refunds.

2.4 Third Party authorisation

- 2.4.1 A student may authorise a third party to access their enrolment information (excluding personal information) held by TCA. The student may nominate the person to receive information. You may cancel their authority on your plan at any time, simply by phoning us or by sending a letter stating you wish to

cancel their authority. You will need to provide the full name of the third party as well as a contact number and email.

2.5 Memberships

- 2.5.1 Any membership or offer that TCA provides to a student in conjunction with the enrolment/completion of a program is valid for up to a maximum of twelve months after the completion of the program.
- 2.5.2 Where a membership or offer is no longer available at the time that the student's eligibility is met, TCA will endeavour to provide a suitably similar membership or offer, and where this is not possible, TCA will work with the student to provide a solution.
- 2.5.3 Where a membership is included as part of the enrolment, TCA will cover the cost of the initial membership only, and any membership renewal is at the student's expense.

3 Cancellations and refunds

3.1 How to request cancellation

- 3.1.1 If a student wishes to cancel their enrolment after their enrolment date, they must submit a cancellation request using the online form at <http://www.thecareeracademy.com/cancel>. If you wish to cancel this must be completed within 14 business days of the enrolment date.
This is determined as the cooling off period.
- 3.1.2 If a student wishes to swap their course after their enrolment date but before the cooling off period ends, they must contact their student advisor or send an email to info@thecareeracademy.co.uk
- 3.1.3 If a student wishes to swap their course after the cooling-off period but within 30 days of the enrolment date, they must submit a request via email to studentservices@thecareeracademy.com

3.2 Refund policy

- 3.2.1 Refunds will be made in accordance with the table below:

Cancellation form submitted within 14 business days of the enrolment date	100% of course fees
Cancellation form submitted more than 14 business days after the enrolment date	No refund and student is liable to pay fees

- 3.2.2 Refunds will be processed on the 20th of each month.
- 3.2.3 No refund will be provided if the student has completed or accessed more than 20% of the course.
- 3.2.4 A partial refund may be requested under exceptional circumstances that are out of a student's control, for example serious illness or personal trauma. The student confirms that these circumstances were not known

at the time of enrolment, be ongoing in nature and will prevent a student from completing their course or meeting their existing financial obligations in the future.

- 3.2.5 Documentation confirming the exceptional circumstances may be required and the review process may take 10-business days to complete. The approval of a partial refund and the refund amount is at the sole discretion of TCA.

4 Payment of fees

4.1 Payment methods

- 4.1.1 Students are liable for the course and other fees in full after the cooling off period. The fees are payable in British Pound Sterling (GBP) and may be paid via the following methods:
- Full online payment by credit card
 - Full online payment by direct bank transfer
 - Interest-free payment plan with Eazicollect

4.2 Interest-free payment terms

- 4.2.1 TCA offers an interest-free payment plan. By signing this document, you are deemed to have accepted the Easy Pay terms and conditions which can also be found on our website here:

- 4.2.5 The student will be liable to pay any penalty fees charged by Eazicollect and any all costs incurred by TCA because of debt collection including the commission, fees and costs charged by any debt collection agency and any associated legal costs and disbursements on a solicitor/client basis including court costs.

5 Course transfers, deferrals, and extensions

5.1 Course transfers

- 5.1.1 Within 30 days of enrolment in a course, a student may transfer to another course of equal value without paying any additional charges. Only one transfer may be made free of charge. (Value is determined as the

advertised price less any discounts applied at the point of sale). The student must have completed less than 20% of the course for this to be considered. A transfer to another person is not permitted.

- 5.1.2 A second transfer, or a transfer requested more than 30 days after enrolment, will be at the sole discretion of TCA and must be approved by a member of the senior management team. An administration fee may be charged.
- 5.1.3 Where a transfer is made within 30 days of the original enrolment, the student's enrolment period starts again. This does not affect a student's original cooling off period.
- 5.1.4 If a student swaps to a course of higher value than the sale price the swap fee will be waived.

5.2 Course deferrals

- 5.2.1 After the cooling off period, a student can apply for a deferral of their course once throughout their study for a maximum of three months. Approval will be at the sole discretion of TCA's Student Services Team. Payments will not be suspended during a deferral period and must continue to be made during this time.
- 5.2.2 Students enrolled in more than one course may apply to differ the start date of certain courses until such time as they have completed others. Approval will be at the sole discretion of TCA's Student Services Team.

5.3 Course extension

- 5.3.1 TCA's courses are designed to be completed within set timeframes. The required timeframe for each course is published on the course page on the website.
- 5.3.2 If students need more time to complete their course, they may apply for a 3-month extension to the existing course online at www.thecareeracademy.com/add-ons. An extension fee will be charged.
- 5.3.3 Students are permitted to extend their course for a maximum of 12 months in addition to their initial course duration but will be permitted in three-month increments. If a student is provided 12 months of extensions and still needs more time they will need to re-enrol and pay the fee outlined in the table in clause 6.3.4. A delay in marking assessments is not grounds for a complimentary extension.
- 5.3.4 If a student does not complete a course by the defined end date and an extension is not paid for prior to the course end date, the enrolment period will expire, the course content will no longer be accessible, and it will be considered that the student has abandoned their course.
- 5.3.5 If a student wishes to continue with the course after it has expired, they will need to purchase an extension within 60 days of the enrolment period expiring.
- 5.3.6 If a student wishes to return to their course more than 60 days after the enrolment period has ended, they will need to re-enrol and pay the fee as outlined in clause 6.3.4.

5.4 Course completion

- 5.4.1 On completion of a course, a student will be eligible to receive an electronic Certificate.
- 5.4.2 Certificates will be issued only after fees for the relevant course have been paid in full.
- 5.4.3 Once fees have been paid in full, the Certificate of Achievement will be made available to the student within the Learning Platform. If you no longer have access to the learning platform, the Student

Services team can email you a pdf copy. Hard copy certificates and academic transcripts are available for a fee at www.thecareeracademy.com/add-ons.

5.5 Student support resources

- 5.5.1 Course add-ons such as course notes will be released after the student's cooling off period and after the first payment has been received (if on a payment plan).
- 5.5.2 If a Tablet is provided on or after enrolment, to be eligible for this all payments must be made on time, up to and including the date the tablet is sent. No tablets will be sent until at least the first payment has been received.
- 5.5.3 TCA offers additional products (known as "add-ons") which are designed to improve students' learning experience and support their studies. Addons may be viewed and purchased at www.thecareeracademy.com/add-ons

This form can be obtained by emailing studentservices@thecareeracademy.com The student's work and grade will be reviewed by the manager of the tutor team. An appeal must be submitted within 10 business days of the grade being issued.

6.3 Resubmission

- 6.3.1 A maximum of three submissions per assessment will be permitted.
- 6.3.2 If an assessment does not receive a “pass” grade on the third attempt, and is not eligible for a restricted pass, the student’s work will be reviewed by the manager of the tutor team, who will decide, at their sole discretion, whether the student:
- May pay a fee to be allowed to make one further, final submission; or
 - Must re-enrol in the course and begin from topic one if they wish to complete the course and receive a course certificate.
- 6.3.3 If the student no longer wishes to complete the course or has not received a passing grade on their last permissible attempt, they may pay a fee for an additional attempt or receive an exit statement which excludes the course(s) they were unable to pass in three attempts.
